Question was discussed at the regular meeting of the Diplomatic corps this morning. British and French ambassadors in Rome having protested against the decree they were assured that authorities here would be instructed not to enforce it as regards foreigners. This appears to have been done for although the decree has not been repealed or modified no attempt has been made to apply its provisions to foreigners.

REGARDING: Request of Italian Governor that American nationals be instructed to comply with the provisions of the municipal ordinance with respect to salutes. Governor pointed out that the ordinance required persons on horseback to dismount and if in a car they must get out when meeting the Governor or Marshal or when passing Italian national or regimental colors. Suggests matter be taken up in Rome.
